ACTION MEMORANDUM

NFIB-AM-1/76  
21 May 1976

MEMORANDUM FOR: DCI Committee Chairmen

SUBJECT: Support for NFIB

REFERENCE: DCID No. 1/8, 6 May 1976  
(NFIB-D-5.1/48, 6 May 1976)

1. Pursuant to the reference DCID all former USIB Committees have been formally reconstituted as DCI Committees. The DCI Committee Members, however, continue to represent their Principals who sit on the NFIB. It is anticipated that the Committees will continue to submit items to the NFIB for consideration or information in much the same manner as with USIB in the past. In addition the Committees will be directly responsive, on occasion without reference to the NFIB, to tasking by the DCI, the CFI, and the D/DCI/IC on behalf of the DCI.

2. In recognition of the NFIB's advisory role to the DCI all Committees seeking approval of recommendations through the NFIB should make their recommendations generally consistent with the following examples:

a. The \_\_\_\_\_ Committee recommends that the DCI, with NFIB concurrence:

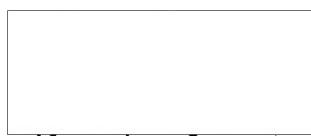

- 1) Note the attached report.
- 2) Request \_\_\_\_\_ to accomplish such and such an action.
- 3) Approve the recommendations in \_\_\_\_\_.

b. The \_\_\_\_\_ Committee recommends that the DCI, with NFIB concurrence, note the basic report and approve the recommendations(s) in paragraph \_\_\_\_\_.  
\_\_\_\_\_.

3. Please continue to provide this office with your monthly reports on the status of your Committee's Ongoing/Pending Actions. Regarding NFIB action items your Committee brings before the Board, the Secretariat may be in contact with you or your Executive Secretary to request support in the preparation of talking papers, briefing notes, etc. as may be required to support the DCI as well as [redacted] in his new role as Vice Chairman of the NFIB.

Executive Secretary, NFIB
